By signing this document, I authorise _____ to participate in the DXC Code Challenge.

☐ I authorise DXC Technology to use the photographic and audiovisual material of the activities carried out by the company in connection with this initiative. The images may be used for:

- Publicising activities and events through the company's website, blog and social networks.
- Internal archive use.
- Documents and graphic material such as posters, brochures and manuals relating to this event.

DXC Technology undertakes to ensure that the use of these images in no way harms the honour and privacy of the minor, nor is contrary to the interests of minors, respecting the regulations on data protection, image and legal protection of minors.

Personal data will only be kept by DXC for the period of time necessary for the above purpose, in accordance with legal and regulatory criteria of necessity and minimisation of the retention period, and which will not exceed one year after the end of the initiative.

I also declare that I am aware of the terms and conditions applicable to the processing of personal data for the above purpose by DXC, under the terms described in the DXC Privacy Policy, which is available for consultation at <https://dxc.com/us/en/privacy>, and which I have previously consulted, having been informed that I may withdraw my consent at any time.

I understand that I may, under the terms of the applicable legislation on the protection of personal data, exercise the rights of access, rectification, restriction of processing, portability, opposition and erasure ('right to be forgotten') of personal data, freely, without restriction and free of charge, as well as, not to be subject to a decision based solely on automated processing, including profiling and if I believe there has been a breach of my rights, submit a complaint to the National Data Protection Commission.

To this end and for any additional questions I may have regarding the processing of the minor's personal data, I have been informed that I can contact DXC using the usual contact details.
